AWARD SPONSORSHIP OPPORTUNITIES

Striving for perfection, learning how to set goals, figuring out how to achieve those goals, understanding dedication and learning valuable lessons along the way, are some of the skills competitors take with them past their competitive years. Competition helps measure growth in an individual with winning an award, a tangible measure of this development. The O.H.D.A. would greatly appreciate your assistance with sponsoring such an award. All sponsors will receive recognition for their sponsorship through engraving on the award and acknowledgement of sponsorship in the souvenir event program and on the OHDA web site. You may also wish to join with another studio or individual(s) for sponsorship.

You are invited to visit our web site at www.ohda.ca to learn more about this organization and Highland dancing, in general.
